Luxury Apartment Community Opens its Doors

Cambridge Management Services announces that GrandeVille at River Place, a 280-unit apartment community has recently opened its doors. This community features 1,2,3 & 4 bedroom apartment homes, with rents beginning at \$799.00.

Developed by LeCesse Development, Winter Park, Florida, this property was designed to accommodate the lifestyle of busy professionals and families on the go. The apartment consumer is very savvy and has many expectations, which are all met at this premier community. Today's expected features such as 24-hour state of the art fitness center, business center, and pool and spa are all available. GrandeVille at River Place has gone a step further with a dazzling array of services for that additional luxurious touch. A on-site notary, a resident business center with free internet access, a resident activity director, fitness & nature trail, valet dry cleaning, are just a few of the services offered daily in this upscale community.

Located in the East Orlando/ Oviedo Corridor, this impressive apartment community will satisfy even the most discerning resident. Many features rival upscale single family homes with such upgraded interiors as Berber carpet, honey oak cabinetry, extended vanities, 9ft ceilings, intrusion alarms, high speed internet access, multi-phone lines availability. Many apartments also include, imagination rooms, dens, and built-in entertainment centers.
